Overall Odds of Winning on a \$1 play - 1:39.89

\*Note: The jackpot prize will be divided equally among multiple jackpot winners. All other prizes are a fixed payout amount, except as set forth below.  
 \*\*In some cases, the fixed prizes may be paid on a pari-mutuel basis and may be lower than these published amounts. The maximum prize liability for any Mega Millions drawing, excluding jackpot prize carry-forward, is 300% of sales or 50% of sales plus \$50,000,000, whichever is less. In the event that maximum prize liability is exceeded, prize levels 2 through 5 will be adjusted to reflect the pari-mutuel calculated amount.

**Jackpot Prize Payment Option**

In the Jackpot Prize Payment Option box on the front of this application, mark how you want to be paid should you win the jackpot prize. Choose the "Lump Sum Cash Value" box if you wish to receive the prize in a lump sum cash payment. Choose the "26 Annual Payments" box if you want to receive the prize in 26 annual payments.  
 Note: Jackpot winners who select the cash value option will receive the estimated present value of the advertised amount. This amount will be less than the advertised jackpot. If you do not choose an option, you will automatically receive the Lump Sum Cash Value option.

**Low-tier Prize Payment Option**

In the Low-Tier Prize Payment Option box on the front of this application, mark how you want to be paid when you win a low-tier prize of \$10.00 or less. Choose "Prize Credits" to have these prizes automatically credited to your subscription. When you renew your subscription, prize credits will be used to reduce the cost of your renewal. Choose "Check" to receive a prize check each time you win a low-tier prize. If you do not choose an option, you will automatically receive the "Prize Credits" option.

**Taxes**

The Lottery is required to report and withhold taxes according to the regulations of the Internal Revenue Service and the New York State Department of Tax and Finance.

**Revisions**

The New York Lottery reserves the right to suspend or cancel any drawing or the game itself, change the prize structure, frequency of draws or draw dates. In the event of such a change, all subscribers will receive participation in a revised game, equivalent in value to the remainder of their subscription, or a refund, at the sole option of the Lottery.
